

Generations of Faith (GOF) Registration 2011-2012 Catholic Social Teaching

Generations of Faith (GOF) is an approach to faith formation that equips the entire parish to become a community of faith by creating lifelong formation that is centered in the events of church life, embraces all ages and generations, and promotes faith growth at home, through parish preparation programs, and most importantly, through participation in church life centered on the Eucharist. It has **equally-important** components:

- **Parish Nights**-We gather the entire parish family together for a meal, prayer, and teaching on a chosen theme with break-out sessions for specific age groups.
- **Going Deeper Nights**-The purpose of these sessions is to provide an opportunity to reach a deeper understanding of the Parish Night theme in a more informal setting.
- **Service Nights**-They are a way that we become aware of some of the needs of others and challenge us to make a difference.
- **GOF Nights**-To provide for a more consistent faith formation, additional Wednesday nights will cover a combination of sacramental preparation, parent meetings, scripture study, and adoration.
- **Expanding Horizons**-These are self-guided activities that are available in September that provide depth and range to the topics covered during the year.
