Answer to frequently asked questions about electronic contribution

What is electronic contribution?

Electronic contribution is an automatic transfer program which allows you to make contributions to your church without writing checks.

What are the advantages of electronic contribution?

It saves you time! It simplifies your life! You also help your church stabilize its budget and save money.

How is my electronic contribution automatically deducted from my bank account?

Once you authorize the transfer, your specified contribution is electronically transferred directly from your bank account to the church's bank account.

When will my contribution be deducted from my bank account?

Your contribution will be deducted from your account on the dates you specify.

If I don't write checks, how do I keep my checkbook balance straight?

Since your contribution is made at a pre-established time, you simply record it in your register on the appropriate date.

Without a canceled check, how can I prove I made my contribution?

Your bank statement gives you an itemized list of electronic transfers. It is your proof.

Is electronic contribution risky?

Electronic contribution is less risky than check contribution. It can't be lost, stolen, or destroyed in the mail, and it has an extremely high rate of accuracy.

What if I change bank accounts?

Your church will provide you with a new authorization form to complete.

How much does electronic contribution cost?

It costs you nothing and saves you time!

What if I try electronic contribution and I don't like it?

You can cancel your authorization for electronic contribution at any time by completing a new form and checking the "discontinue electronic contribution" box or by notifying the church in writing. But, once you've enjoyed the convenience and time- and money-savings of electronic contribution, we doubt you will want to go back to the way you did it before.

How to I sign up for electronic contribution?

Complete and sign the authorization form and return it to your church office along with a voided check or a voided savings deposit slip.
