

Generations of Faith (GOF) Registration

2010-2011 Celebrate Our Story: Pass It On!

Generations of Faith is an approach to faith formation that equips the entire parish to become a community of lifelong learners. It has three, **equally-important** components:

- **Parish Night** gathers the entire parish family together. Each parish night includes a meal, prayer, and teaching on a chosen theme with break-out sessions for specific age groups.
- **Going Deeper-** The purpose of these one-night sessions is to provide an opportunity to reach a deeper understanding of the Parish Night topic in a more informal setting. They allow time for peer groups to reflect and enter into discussion on what they experienced at Expanding Horizons, on Parish Night and through the liturgical celebration.
- **Expanding Horizons** are self-guided learning centers that provide depth and range to the topics covered during the year. Centers are provided for adults, youth, and parent/child and are presented in the Great Hall for several days. Parishioners can come anytime between 9 a.m. and 9 p.m.
